IMPORTANT ADVISORY

Dear Members,

With the advent of the festive season and a number of events taking place in Tolly there is a significant increase in footfall and vehicular traffic in the Club. A number of guests also use public and hired transportation to come to and return from the Club.

Members are requested to note the following:

1. To monitor & regulate entry to bonafide members and their guests, members are advised to carry their Club Membership Card and endorse their guests while visiting the Club. This will also help club and pop-up counter staff distinguish between members and others while billing. Staff has been instructed to verify Club cards.
2. Please instruct your drivers to be patient and not blow their horns and be patient at entry, exit and alighting zones. In alighting zones, if there are vehicles lined-up ahead, there could be a senior member alighting, which could take a longer moment.
3. Members are requested to park and instruct drivers to park cars in designated zones only. In case of non-members parking incorrectly in member parking zones, security staff have been told to ask drivers to park in the appropriate parking area, and, if there are no drivers, or vehicles are parked in "No Parking" zones, a "**Wrongly Parked**" sticker will be stuck on to the front wind shield of the car. Members not using stickers are requested to get stickers from the office if required. The "**Wrongly Parked**" sticker **exercise** will commence shortly in a few days to give time to members to get stickers.
4. Cooperation of all members is sought.
