Table Reservation & Holding Policy at The Belvedere

To ensure fair access, efficient service, and an enhanced dining experience for all our members and their guests, we would like to reiterate and update the table reservation policy at *The Belvedere*.

Reserved tables will be held for a maximum of 15 minutes from the confirmed booking time.

Should you expect a delay; we request you to kindly inform the restaurant in advance. In the absence of prior intimation, the table will be released after the 15-minute grace period to accommodate other waiting members.

This policy is being implemented to avoid inconvenience to members, manage waiting times better, and minimize table blocking, ensuring optimal use of our dining facilities - especially during peak periods.

We sincerely seek your cooperation in making *The Belvedere* a fair, smooth, and welcoming dining venue for everyone.
