### **Carrying Club Membership Card**

Dear Member,

Please refer to earlier Club circulars informing members to carry their club cards with them while visiting the Club.

Not only is the club card a validation of membership, therefore mandatory to carry along with, it also ensures correct details while using the cards in billing outlets. There are errors that take place when F&B and other club outlets note down membership numbers manually, for example at the time of placing orders at F&B outlets, leading to wrong billing.

Members are again requested to produce their membership card at any billing outlets. Please note that in the event of billing without card or, a transaction amount of ₹ 20/- will be charged for which provision already exists. In case member is not carrying the card the member can present their Tolly App in mobile and therein it can be shown to the billing counter so that the correct details can be verified and entered, in which case the transaction amount of ₹ 20/- will not be charged.

Staffs have been instructed to insist on production of club card while taking an order for billing.

We request cooperation of all members.
