Parking of Cars in Members Parking Area

Dear Members,

We have been receiving frequent representations regarding non-members and guests occupying parking spaces designated for members. In the absence of Club Car/RFID stickers, it becomes difficult to identify whether a vehicle belongs to a member or not.

In view of the above, it has been decided that **vehicles not displaying either a valid Club Car sticker or Club RFID will be treated as belonging to non-members/guests**. Accordingly, if such vehicles are found parked in members' parking areas, security personnel will:

- Affix a notice stating, "**Wrongly Parked / Unauthorised Parking**"
- Direct the vehicle to the designated non-members' parking area (subject to availability) or outside the Club premises.

To ensure a smooth and hassle-free parking experience for all members, we request those who have not yet collected and affixed either one of their Car or RFID stickers to kindly do so at their earliest convenience but **within one week** from the Club Office, after which the pasting of stickers will commence.

This will greatly assist the Administration in identifying members' vehicles and guiding all vehicles to the appropriate parking areas in an orderly manner.

We seek your cooperation in maintaining a well-organised and pleasant parking environment for all.
