Schedule of Maintenance for Swimming Pools till 31st October

Dear Members,

We have received requests from members to keep the Indoor Pool open on all days during the summer months. Accordingly, the Indoor Pool will remain open throughout the month without any scheduled closure. Routine maintenance, as and when required, will be undertaken during operational hours, with brief closures only if absolutely necessary.

The Outdoor Pool will, however, remain closed for cleaning on **every 2nd and 4th Monday of the month.**

Review of the Maintenance Plan will be done after 31st October 2026.

Members are requested to kindly note the above and plan their visits accordingly.
