Library Chair Lift Out of Operation

The Library Chair Lift is presently out of operation due to a software-related issue in its control system. The issue is expected to be rectified by 1st July 2026, as the system requires reprogramming by the vendor/installer.

In the meantime, we have been advised that the Chair Lift must not be used in the interest of safety. Members are therefore requested not to operate the Chair Lift until further notice.

Once the Chair Lift is restored to proper working condition, a further update will be issued to members.
