Parking of Cars in Members Parking Area

Dear Members,

Please refer to Circular No. MM/852/2026 dated 8th April 2026 regarding the requirement for vehicles parked in Members' Parking Areas to display either a valid Club Car Sticker or Club RFID Sticker.

As communicated earlier, vehicles not displaying either of the above stickers would be treated as belonging to non-members/guests. Accordingly, if such vehicles are found parked in Members' Parking Areas, Security Personnel will:

- Affix a sticker on the vehicle saying that it is **wrongly parked**
- Direct the vehicle to the designated Non-Members' Parking Area (subject to availability) or outside the Club premises.

Members were requested to collect and affix the requisite stickers to ensure a smooth and hassle-free parking experience for all. Those members who have not yet done so are requested to collect their Club Car Sticker from the Club Office and affix the same to their vehicles at the earliest.

Please note that the above parking enforcement measures, including affixing of the "**Wrongly Parked / Unauthorised Parking**" notice, will come into effect from **7th June 2026**.

We seek your cooperation in helping maintain an orderly, efficient, and pleasant parking environment for all members.
