SHOWERING PROPERLY BEFORE USING THE SWIMMING POOLS

Dear Members,

There have been complaints that some people enter the swimming pool smelling of strong perfume/deodorant or smeared with sunscreen oil. They have obviously not showered properly or not showered at all before entering the pool.

This is to remind you that showering properly before entering the pool is mandatory.

Please adhere to this rule and also tell your dependants and guests to do so for the sake of hygiene and out of consideration for fellow swimmers.
